The Troutville Rescue Squad Fundraiser

The Troutville Rescue Squad held a Car Show on Route 11 as a fundraising event on July 31, 2010. BBQ dinners were cooked and sold, and a bake sale was held. The fundraising event was held to raise money for Debbie Simpson who resides in our community. Debbie needs \$15,000 in order to have a heart transplant that is crucial to saving her life.

The Rescue Squad would like to thank everyone who participated, including -

- The Rescue Squad members who helped with the Car Show and also baked cookies, cupcakes, brownies and other goodies for the bake sale;
- Vice President Bob Clark who baked six (6) dozen cookies (who ever said men can't bake?);
- Rescue Squad President Ashley Amos, who initiated the fundraiser, and coordinated all the activities that made the event such a success;
- Micki Moore, Ashely's mother, who donated her time to cook the BBQ dinners – they were delicious and sold out early;
- Page Weddle, who allowed the Rescue Squad to bring the bake sale to Thriftway after the Car Show was over; and
- Everyone who just walked up and gave a donation because they cared.
